

Title of this talk

Max Mustermann

University of Mustercity

September 20, 2013

First Important Section

Second Important Section

First Important Section

- ▶ Give some motivation
- ▶ It generally helps
- ▶ But sometimes not

Columns allow to put more informations on a slide and structure the slide.

In a proper unit system, you have

$$E = m$$

Second Important Section

The second part

is a bit **short**! But then coffee break is **earlier**!

The second part

is a bit **short**! But then coffee break is **earlier**!

- ▶ This should give you the basic tools for a decent tools.
- ▶ Remember: Less is more.
